

## **INDIANA LIONS FOUNDATION GRANT**

### **FROM SPECIFIED FUND**

The Indiana Lions Foundation has within its endowment, funds that have been designated for specific purposes. The Indiana Lions Foundation funds only charitable work, is in making grants from these funds. We are most interested in making grants that meet the criteria of the various advised endowments.

The Foundation is currently seeking applications for grants in the various criteria areas. The endowment committee should receive the application for the grant for review. The applications are reviewed and final disposition of the application is based on the need for the grant. Determinations will be notified of the status of their application as soon as a decision is made by the endowment committee and the trustees of the Foundation.
