

**INDIANA LIONS FOUNDATION, INC.
MATCHING GRANT APPLICATION**

1. The Project must be a Lions project. For example, if your club takes on the project of funding equipment for the local fire department and raises funds from 1) club projects, 2) grants from non-Lion sources and 3) solicitations in the Lions Club's name, the Foundation would match items 1 and 3 up to \$1,500. An application will not be considered if the request is for a grant to be given as a part of the fire department solicitation.
2. Grants will not be given for the direct benefit of any one individual.
3. To assist as many clubs as possible, we encourage not more than one grant per Lions year (July 1 – June 30).
4. Grants are to match a club direct financial support up to \$1,500.00
5. Club operational and routine maintenance expenses are not eligible for a grant: Capital Expenditures will be considered. The grant may be used for initial start-up costs and associated expenses for equipment, real estate, or improvements to real estate.
6. The club must be in good standing with the District, State and Lions Club International

We encourage organizations that receive a grant to assist the Indiana Lions Foundation, Inc. by one or more of the following.

- A. Purchasing a W. P. Woods Fellowship
- B: Participating in Foundation fundraisers
- C: Purchasing an Indiana Lions license plate
